

Zafiro Palace Andratx / Camp de Mar

Made at Egea.

Bespoke furniture and textiles
for hotels and restaurants.

We design. We make. We install.

PALMA DE MALLORCA

Every project starts in our workshop.

A measurement, a fabric sample, a wood finish. We coordinate joinery, textile work and upholstery with owners, architects and interior designers.

Cutting and textile work in our workshop.

Selecting fabrics with the team.

01 / DEFINE

Use of the space, drawings, dimensions and items.

03 / MAKE

Specialist trades coordinated for each project.

02 / SELECT

Fabrics, timber and finishes considered together.

04 / INSTALL

Delivery, installation and aftercare.

From one item to a complete scope.

A defined requirement or several coordinated trades. We assess every proposal according to dimensions, materials, quantities and programme.

01 Wardrobes and joinery

Layouts, fronts and bespoke furniture adapted to each guest-room type.

02 Doors

Leaf, frame, rebate, ironmongery and finish specified to suit the dimensions and project requirements.

03 Curtains and textiles

Curtains, sheers, bedspreads, bed runners and cushions. Made-to-measure production and fabric coordination.

04 Sofas and upholstery

Sofas, armchairs, bench seating and headboards. Bespoke production and reupholstery.

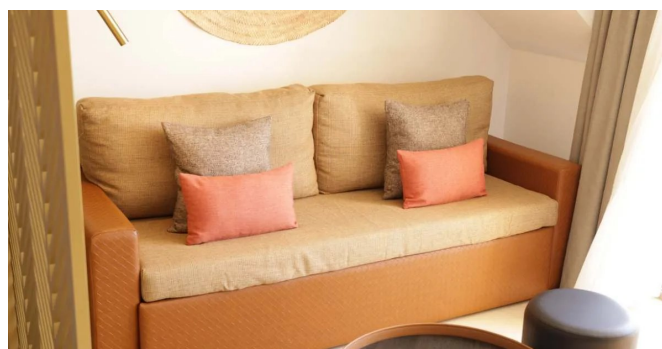

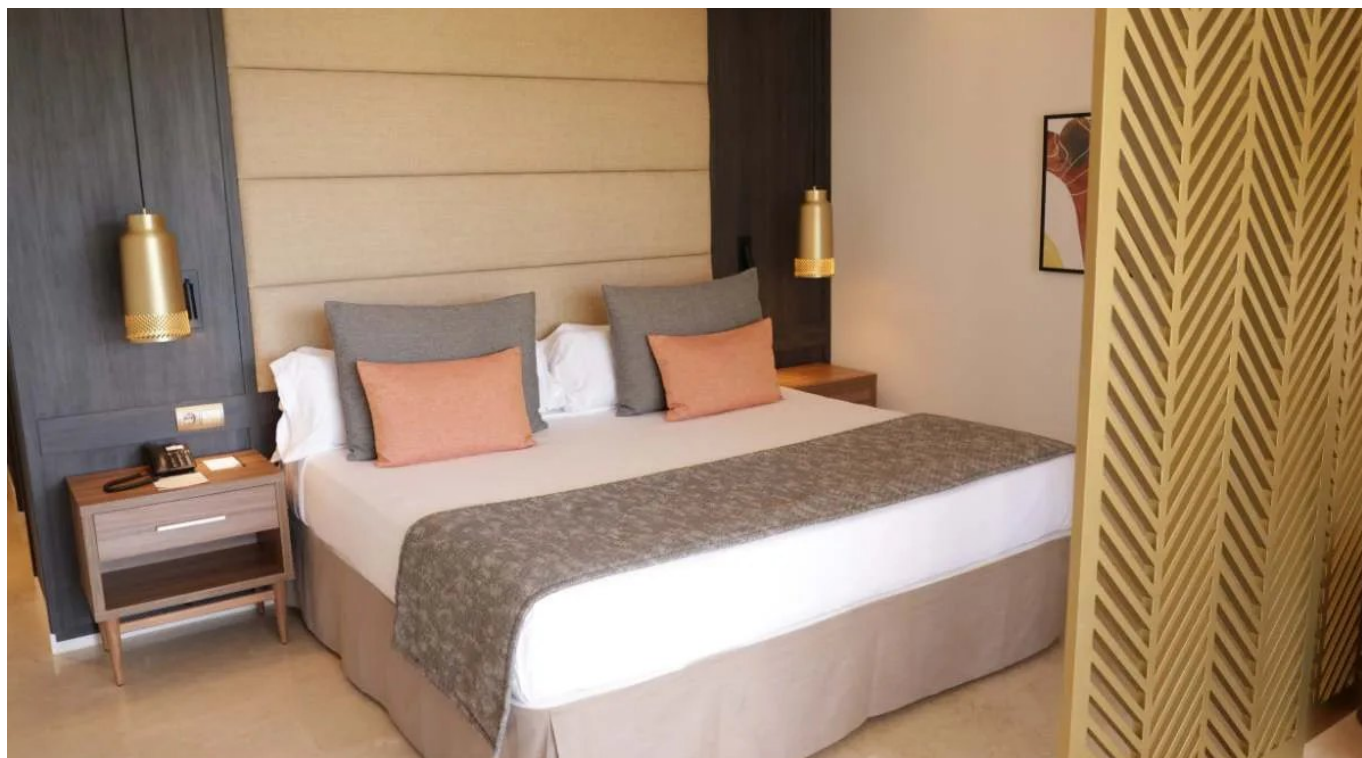

05 Flooring and installation

Vinyl flooring, wall finishes and installation. Subfloor review and coordination with the works.

Also available: textile interior design, metalwork, hospitality accessories, logistics and aftercare.
